First Meeting of Anti-Ragging Cell 2021-22

Anti-Ragging Committee (ARC) was constituted in our college in 2017 to prevent ragging and to take anti-ragging measures as per the guidelines issued by the UGC in accordance with the order by the Supreme Court of India. Since then the committee has actively been monitoring the activities of the students in order to prevent any form of ragging in the college campus. For the last five years, no ragging cases have been registered. This credit goes to the committee which vigilantly supervises the moments of the students.

Depending on the nature and gravity of the guilt found by the Anti-Ragging Squad, the following punishments are initiated against those who found are found guilty .

- Suspension from attending classes and academic privileges
- Debarring from appearing in any test/examination or other evaluation process.
- Cancellation of admission
- Rustication from the institution for a period ranging from one to four semesters.

Under the pretext of a welcoming new students to the college, ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures, the students of Rural college are hereby warned that they shall not indulge in “RAGGING”. If they are found guilty of ragging they are liable to the above mentioned punishments.

The freshers/junior students are also hereby instructed that they should not respond to the calls from seniors nor participate in any kind of party inside the campus, even though

they are ordered by the seniors and, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against freshers.

Rural college Campus is ragging free. The committee has taken all the measures to ensure that the freshers are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of absolute barbaric practice. The committee felt that it is feasible only when all the students and teachers have extended their moral support.
