

DEPARTMENT OF MATHEMATICS

The Rural Degree college, kanakapura

Vision

- ❖ The department aims at providing opportunities for students to explore areas of mathematics outside the classroom and to enhance inter student communication and co-operation.
- ❖ The goal is to enable students to express mathematical ideas more creatively and to develop their talent whilst making them confident, capable and responsible human beings.
- ❖ To achieve high standards of excellence in generating and propagating knowledge in Mathematics. Department is committed in providing an education that combines rigorous academics with joy of discovery
- ❖ To provide an environment where students can learn, become competent users of mathematics, and understand the use of mathematics in other disciplines.

Mission

- ❖ To provide excellent knowledge of Mathematical sciences for suitable career and groom them for national recognition.
- ❖ Moreover, the department will contribute to the development of students as mathematical thinkers, enabling them to become lifelong learners, to continue to grow in their chosen professions, and to function as productive citizens.

List Of Faculty Members

From last five years Faculties Name, Qualification and Designation

Sl. No.	YEARS	Name of the Faculty	Qualification	Designation
1.	2017-2020	Sushma C.R	MSc,B.Ed,	Assitant professor
2.	2017 till date	Meghana N	M.Sc,B.Ed	Assitant professor
3.	2017-2021	MukundaGowda H.A	M.Sc, KSET, B.Ed.,	Assitant professor
4.	2021 till da	JYOTHI.M	M.Sc,B.Ed	Assitant professor
5.	2021	KESHAV MURTHY	M.Sc	Assitant professor

Faculty Profile

CURRICULUM ASPECTS

- ❖ The Curriculum has been designed to help the students of Mathematics for their academic advancement as well as to face a competitive examination
- ❖ Syllabus was modified during the academic year 2015-16,2018-19 and 2020-21(NEP) in the first year, second year and final year respectively.
- ❖ Syllabus copies are available in the department in the form of hard copy.

Objectives Of Department

- ❖ To enhance students knowledge and insight in Mathematics so that they can able to work as mathematical professionals.
- ❖ To prepare them to pursue higher studies and conduct research.
- ❖ To train students to deal with the problems faced by industry through knowledge of mathematics and scientific computational techniques.
- ❖ To provide students with knowledge and capability in formulating and analysis of mathematical models in real life applications.
- ❖ To introduce the fundamentals of mathematics to students and strengthen the student's logical and analytical ability.
- ❖ To provide a holistic approach in learning through well designed courses involving fundamental concepts and state-of –the –art techniques in the respective fields.

Maths BOOKS PURCHASED BY OUR COLLEGE LIBRARY

Department Activities

We are regularly conducting guest lectures by eminent personalities on importance and role of mathematics in modern society.

Future Programmes Of Department

- ❖ The Mathematics Department will organize Mathematics games and Quiz programmes the occasion of “NATIONAL SCIENCE DAY” on 28 February in every academic calendar.
- ❖ We organise the student seminars and Guest Lectures by University professors and eminent personalities on 22nd December, On the account of “NATIONAL MATHEMATICS DAY” .

Future Plans Of Department

- ❖ The department need to establish “MATH-LAB” . It is a place where anybody can experiment and explore patterns and ideas.
- ❖ It is a place where one can find a collection of games, puzzles and other teaching and learning material.
- ❖ The “MATH-LAB” provides an opportunity for the students to discover Mathematics through doing.
