Narcotics cleaning awareness jatha programme

Date:25/02/2019

Number of participants: 100 Students

When someone is addicted to alcohol or drugs, they will often need to go through a detoxification process, as an important first step in their recovery from addiction. Addiction is a lot like other diseases, such as heart disease. Both disrupt the normal, healthy functioning of an organ in the body, both have serious harmful effects, and both are, in many cases, preventable and treatable. If left untreated, they can last a lifetime and may lead to death.

The initial decision to take drugs is typically voluntary. But with continued use, a person's ability to exert self-control can become seriously impaired. This impairment in self-control is the hallmark of addiction.

Rural college Kanakapura has organised Narcotics Clensing awareness jatha programme by the students to the people of Kanakapura on 25/02/2019 associated with Police Deapartment. Jatha was undertaken through Kanakapura town by cadets. Circle Inspector Mr. Mallesh K spoke on the topic from 11:30 to 12:30pm. 250 students were participated in the programme and create awareness about causes and effect of drug and tobacco addictions in one's life.
