REPORT ON VANODAYA PROGRAMME

Dated: 23rd January 2019

Number of participants: 35

The importance of forests cannot be underestimated. We depend on forests for our survival, from the air we breathe to the wood we use. Besides providing habitats for animals and livelihoods for humans, forests also offer watershed protection, prevent soil erosion and mitigate climate change.

Yet, despite our dependence on forests, we are still allowing them to disappear.

Vanodaya programme held at S.K Memorial hall, the program was organised by Lt. Vijendra M J and C/T Sowmya K, in that programme 90 cadets are presented . NGO gives brief information about causes of forest fire and also the preventions and precaution measure for forest fires and also created awareness about value of forest and wild species.
