Report on Aids awareness programme

Date: 15/12/2021

Number of students: 41

Every year, on 1 December, the world commemorates World AIDS Day. People around the world unite to show support for people living with and affected by HIV and to remember those who lost their lives to AIDS. The inequalities which perpetuate the AIDS pandemic are not inevitable; we can tackle them. It is an opportunity for every community to unite in the fight against HIV, show support for people living with HIV and remember those who have died.

The theme for World AIDS Day is “Putting Ourselves to the Test: Achieving Equity to End HIV.” It encourages people to unite globally to eliminate the disparities and inequities that create barriers to HIV testing, prevention, and access to HIV care.

Rural college kanakapura organised cancer awareness programme to the students on 15-12-2021 associated with health department of kanakapura. Doctors spoke on the topic from 11:30 to 12:30pm. 300 students participated in the programme are aware of causes and preventive measures of Aids .
